

AMC Merchandising Aids

The last section consists of a mixed bag of low cost and moderately priced items that are excellent reminders of your dealership, as they have constant exposure and may be used to motivate potential customers. This group includes license plate frames, key cases and quality items that are ideal for traffic builders in your showroom. Also included in this category are litter bags, ice scrapers, bumper stickers, pens and a mixed bag of assorted merchandise.

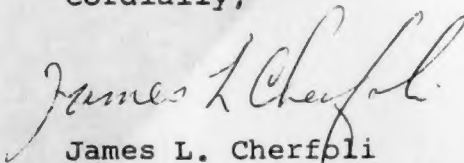

Periodically you will receive additions to this list of items. The additional gifts will be keyed to the particular season.

It is in your best interest to take full advantage of the items shown. Each gift was selected on the basis of its ability to satisfy a particular need.

Prices have been negotiated with suppliers to allow you the maximum discount available. This, combined with the convenience of ordering your merchandise from a central source of supply, provides you with a strong, easy to use selling tool.

Look through the folder, and order the items you need with the attached order forms.

Cordially,
